II. Introduction: Ez Cooking for everyone

- Creating a platform that allows everyone to share recipes and allows busy people who want to learn cooking easily through recipes on the platform.
- Connecting people in society through dishes.
- Helping everyone cook dishes themselves quickly.

III. Target users and environments

- We want to create this website for everyone only in Vietnam who wants to cook and learn how to cook quickly and delicious dishes.
- The environment we use is **Website**.

IV. Key features

1. Upload recipes and tutorial videos.
2. Give feedback and rating.
3. Study and ask 1 vs 1 with instructors through social connections such as messenger or zalo, etc.
4. Chat with everyone on the platform.
